- m. 100 Grierson – Command Sergeant Major, US Army Intelligence Center and Fort Huachuca

ATZS-CG

SUBJECT: POLICY 103 – Designation/Allocation of Quarters

n. 101A Henry – Command Sergeant Major, US Army Network Enterprise Technology Command/9<sup>th</sup> Army Signal Command

o. 101B Henry – Command Sergeant Major, US Army Garrison

2. All other historic quarters (with the exception of those listed in paragraph 3) on Grierson and Henry Circle will be assigned in the following priorities:

- a. All other DA centrally selected COL positions (TSMs)
- b. Installation and NETCOM (COL) Chaplains
- c. DA centrally selected LTC positions (battalion commanders)
- d. Deputy Brigade Commanders (111<sup>th</sup> MI and 11<sup>th</sup> Signal)
- e. Other COLs as specifically directed by CG Fort Huachuca
- f. Other LTCs and CW5s as specifically directed by CG Fort Huachuca
- g. Field grade officers with large families

Potential residents for quarters, as indicated above, will be considered tentatively offered a specific unit within 30 days of the officially projected availability date. Soldiers with a higher priority (e.g., as noted above) may displace a soldier tentatively offered a set of quarters prior to the 30-day lock in period. When two soldiers have the same priority, i.e., centrally selected colonels, the date of eligibility will be the deciding factor.

3. The historic quarters listed below will be allocated to field grade officers with a large family requirement and assigned by date of eligibility: 111A&B, 113A&B and 115A&B Henry Circle.

4. Quarters 101, 103, 105A&B, 107, 109, 111 and 113 Hines will be allocated to CSM/SGM. If no soldier in the rank of E9 is on the waiting list, or expected to arrive within 30 days of the vacant date, the house will be offered to eligible field grade officers.
